## Summary of representations

*(Officer response(s) in italics)*

The owner/occupier of No. 10 Little Green St. has objected to the application on the following grounds:

- Drawings contain too many errors indicative of lack of scrutiny by applicant, including missing annotations, incorrect sections lines, missing rooflight, variation in north point.

*Officer response: A revised plan has been received to address the rooflight omission. The drawings are considered to be sufficiently detailed for an assessment to be carried out. The North point is shown correctly on the OS extract. The missing annotations are not considered to be crucial to the*

*assessment of proposed works.*

- LBC require D&A statements to be prepared by a suitably qualified person.

*Officer response: Camden's Local Area Requirements do not specify any particular author qualifications for the Design & Access statement*

**Recommendation:-**

**Grant planning permission**
