2018/2505/P	MR M TUCKER	02/08/2018 11:23:21	OBJ	As the previous unauthorised terrace erected outside of Villa Ronel 46 Birchington Road (since dismantled by order of the council) was the cause of much noise, disturbance and oftentimes (because of the illegal sale of alcohol) threatening and aggressive behaviour from those customers gathered on the terrace - to grant permission for Villa Ronel to build yet another terrace - which I'm concerned would again invite the same anti-social behaviour and noise disturbance in what should be a quiet residential street - is wholly unacceptable.
