Hi Nora-Andreea

****STRICTLY PRIVATE AND CONFIDENTIAL** NOT TO BE RELEASED IN THE PUBLIC DOMAIN****

Please find attached further evidence in response to your email below. however, please note that this information is of a highly sensitive nature which if released into the public domain could put the security of the premises staff and customers at risk. As such please can you confirm that this information will be redacted from the public domain?

1. for your information only I attach the Security Checklist, Sign-Off Check List and Handover Certificate

The security checklist is signed and dated 11/05/18. The Handover Certificate is signed and dated 11/052018. The final Sign Off Checklist is signed and dated by the Bank Manager and confirms signoff as 16/05/2018.

2. I also attach Week To Date transactional data from the bank.

As per our CLEUD submission. The bank opened on 21st May 2018. The attachment shows activity and trade at the bank from 21/05/2018 to 23/05/2018. As you will see it demonstrates activity trade and appointments at the premises from 21/05/2018.

3. Below is also a screen shot of a tweet from customer Edward Smith dated 21st May 2018. This further confirms the opening date of the bank.

Edward Smith @ecpsmith May 21

Just went to the bank to change a standing order, but instead got a full tour of the newly launched flagship Halifax bank. Some cool stuff, I love Revolut but keep my Halifax account as they're showing how to engage with users in a way that digital banks can't @AskHalifaxBank

4. You can also view official tweets from the bank inviting customers to its new branch from 19th May 2018 onwards –

<https://twitter.com/askhalifaxbank?lang=en>

I trust this is all sufficient for you to approve the certificate of lawful existing use. Please let me know if you need any further information.

Kind regards

Haris Kasuji BA MA MRTPI

The logo for rrplanning features the text 'rrplanning' in a lowercase, sans-serif font. The 'rr' is in red, and 'planning' is in black. Above the 'rr' is a red graphic consisting of a 3x3 grid of dots, with the top-right dot missing.
