2017/2290/P	edie raff	08/08/2018 19:34:16	COMMNT	<p>Unless I have misunderstood this application, it appears to want the Council to consider that to build a "single storey rear extension to existing retail units to create an additional 130sqm of retail (A2 use class) floorspace" and the "Demolition of existing multi-storey car park to the rear of existing building and erection of two to four storeys mews development to create 9no. residential units (use class C3)"</p> <p>- ARE NOTHING MORE THAN MERE "DETAILS":</p> <p>[Application number: 2017/2290/P Application type: Approval of Details]</p> <p>Can this be possible? It seems absurd to me and I would welcome either the Landlord's or Camden's clarification on this point before I make any further complaint.</p> <p>Application number: 2017/2290/P Application type: Approval of Details</p>
