2018/2176/P	Paul Bradley	08/08/2018 22:07:04	OBJ	<p>I write to object with planning application 2018/2176/P, the proposed Taco Bell restaurant on Southampton Row.</p> <p>I am a resident of Southampton Row and live [REDACTED] opposite the proposed site, I wish to object to the proposal primarily on the grounds of the increased litter a fast food restaurant will inevitably bring. Southampton Row is already blighted with a very high degree of curb side waste as well as excessive dropped litter from a number of fast food outlets. The rubbish maintenance programme shown in the application shows no consideration of the management of the customer waste created by this fast food chain.</p> <p>Further to this I wish to object to the excessive opening hours proposed (7am to midnight every day). Very few of the adjacent establishments open beyond 9am and 10pm, a late opening such as this is out of character with the local area and would inevitably compound the previously mentioned issue with regards litter as well as risk high degrees of noise at especially unsociable hours.</p>
