2018/2381/P	Francoise Findlay Chairman Elsworthy Residents Assoc. Member of BCAAC	08/08/2018 11:50:44	OBJ	<p>The proposed extension completely ignores all existing features of this house with its large aluminium doorway on the extension.</p> <p>The proposed roof lights will generate light pollution for the flats above and the neighbours, especially in the winter months. The extension will neither preserve and definitely not enhance the Elsworthy CA..</p>
