2018/2824/P	R Sivasothy	09/08/2018 14:40:01	COMMNT	The only Laundrette around Belsize Village is the one at 54 Belsize Lane and if this is going to be closed how will the neighbourhood without cars do their washing/drying. As a user of this particular facility kindly register my strong objection to the closure of this essential facility
2018/2824/P	Colin Taylor	09/08/2018 10:26:22	OBJEMPER	I object to the planning application to change the use from a Launderette to a retail shop. The launderette provides a vital service to the community. Another retail shop in Belsize Lane will not enhance the area at all. Whereas, the launderette is an absolute local convenience necessity to those in the area who do not own a washing machine. It is an amenity which would be sadly missed if the application for change of use was granted.
2018/2824/P	anke schroeder	09/08/2018 14:43:14	APP	I want to make my objections regards the change of use. The launderette is very needed in our village and other properties are empty who can be used in the street. I and lots of other people are using the service and no retail united is needed. Hampstead Village and Belsize Park High Street 5min walk with enough retailers. I live in the village for the last 18years.
