2018/2329/T	Gareth Jones	10/08/2018 13:52:16	OBJ	I strongly object to the removal of this beautiful tree. It contributes greatly to the urban environment - especially when it blossoms. And the whole year. Why remove it? Please refuse permission for felling and help keep Camden and Belsize Park green and pleasant. Thanks.
2018/2329/T	Andrew Aldridge	10/08/2018 22:44:09	OBJ	This cherry tree has been an important feature in this conservation zone, bringing real character to the street. The tree provides colour and balance to the street. As it is not diseased and is not affecting the structure of 19 Belsize Crescent and its boundary wall, there is no good reason to fell the tree, which is subject to a TPO.
