Dear Cassie

**VA2206 88 Delancey Street, London**

### **Opening Hours**

It is understood that there is an intention to extend the opening hours currently permitted from 07:00 to 06:30 hours.

It is not expected that the ambient and background noise levels in the area will be significantly different at 06:30 than at 07:00, especially considering the busy traffic junction outside the building.

Provided the recommendations in the report ref. VA2206.180525.GNR are implemented, the level of potential impact on the adjacent apartments would be expected to remain the same with the gym operating from 06:30 as if it operated from 07:00.

We trust the above to be of assistance. Please do not hesitate to contact us with any queries you may have.

Yours sincerely

on behalf of Venta Acoustics

**Jamie Duncan**
