2018/1209/P	Tim Matthews	13/08/2018 10:14:09	OBJ	<p>These plans will radically change the character and appearance of a much-loved and iconic Camden business. They also present a genuine threat to its viability.</p> <p>Having office space directly above the external smoking / drinking area clearly is not compatible and the pub may well suffer.</p> <p>The plans are also ill-thought out. There is no mention of where the bar would go or even where the cellar area would be - or is that a tacit admission that draught beer would no longer be available?</p> <p>The plans are quite unnecessary and a such a long established pub should be left alone serving as it does a good mix of locals and tourists, otherwise it will become another faddish soulless bar and eventually fail - like Steele's for example.</p> <p>Also, the Good Mixer surely cannot be solely to blame for late night anti-social activity and misuse of residents' parking bays.</p>
2018/1209/P	Jon Simmons	13/08/2018 22:23:38	OBJ	<p>I strongly object to this application. The Good Mixer is a pub with historic cultural significance in Camden and therefore must be protected.</p> <p>This is a clear attempt at a 'Trojan horse', where the pub will eventually become unviable due to the offices and residential units above the pub.</p> <p>Please do not allow yet another great pub to be turned into yet more unaffordable luxury flats.</p>
2018/1209/P	James Tanner	13/08/2018 13:33:45	OBJ	<p>Please don't allow a change to the frontage of the pub. This pub is world famous due to its place in the 90's Britpop culture and tourists still visit to get a photo in front of it and of course to enjoy a drink inside.</p>
2018/1209/P	Joanne Scott	13/08/2018 11:28:21	OBJ	<p>I object to this application for the following reasons-</p> <p>The Good Mixer pub has a lot of history in Camden, which needs to be preserved. I object to the developer wanting to rip out interior of the pub and change the external appearance. The pub has recently been refurbished, which looks great and is sympathetic to the pub's history. If this application is approved The Good Mixer as we know it will be destroyed. I have been drinking here for many years and will be sad if the pub goes. A new pub won't have any character or history. Change of use to Office space on upper floors should be rejected, as this will lead to complaints from noise from pub downstairs. The market traders on Inverness Street meet in the pub and are also part of the Good Mixers history.</p>
