Recommendation:	Grant certificate		

Whilst this detached single dwellinghouse is part of an estate dating from the 1980's, the original planning permission cannot be identified, and thus it is not possible to establish beyond doubt whether permitted development rights were removed by condition. However, a LDC has previously been granted for no. 3 (2009/2343/P) and no.8 (2009/2816/P). The property does not lie within a CA, and it is not a listed building.
