14 August 2018

Dear Sir/Madam

DECISION

Town and Country Planning Act 1990

Advertisement Consent Granted

Address:
Pavement outside 98 Tottenham Court Road
London
W1T 4TW

Proposal: Erection of double-sided freestanding advertisement panel to display 2 x internally illuminated digital advertisements, following the removal of existing freestanding advertisement panel.

Drawing Nos: Location Plan, Site Plan, Existing Site Photos, Elevations, Photomontage (all received 31/05/2018), Road Safety Audit (prepared by AECOM, dated December 2017), Cover Letter (prepared by SM Planning, dated January 2018).

The Council has considered your application and decided to grant consent subject to the following condition(s):

Conditions and Reasons:

- 1 Prior to the installation of the advert hereby approved, the existing free standing advert shall be removed and surrounding area made good.

Reason: To ensure that the development does not contribute to street clutter and hinder free flow of pedestrians in accordance with the requirements of policy D4 of

the London Borough of Camden Local Plan 2017.

- 2 No advertisement shall be sited or displayed so as to
 - (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
 - (b) obscure, or hinder the ready interpretation of any traffic sign, railway signal or aid to navigation by water or air; or
 - (c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 3 Any advertisement displayed and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 4 Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 5 Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 6 The advertisement display shall be statically illuminated and the intensity of the illumination of the digital signs shall not exceed 2500 candelas per square metre during the day and 400 candelas per square metre during the hours of darkness in line with the maximum permitted recommended luminance as set out by 'The Institute of Lighting Professional's 'Professional Lighting Guide 05: The Brightness of Illuminated Advertisements' 2015. The levels of luminance on the digital signs should be controlled by light sensors to measure the ambient brightness and dimmers to control the lighting output to within these limits.

Reason: To ensure that the advertisement does not harm the character and appearance of the streetscene and does not create a distraction to pedestrian or vehicular traffic and therefore cause a hazard to highway safety. In accordance with the requirements of policy D4 of the London Borough of Camden Local Plan 2017 and Transport for London Guidance for Digital Roadside Advertising 2013.

- 7 The digital sign shall not display any moving, or apparently moving, images (including animation, flashing, scrolling three dimensional, intermittent or video

elements).

Reason: To ensure that the advertisement does not harm the character and appearance of the streetscene and does not create a distraction to pedestrian or vehicular traffic and therefore cause a hazard to highway safety. In accordance with the requirements of policy D4 of the London Borough of Camden Local Plan 2017 and Transport for London Guidance for Digital Roadside Advertising 2013.

- 8 The minimum display time for each advertisement shall be 10 seconds.

Reason: To ensure that the advertisement does not harm the character and appearance of the streetscene and does not create a distraction to pedestrian or vehicular traffic and therefore cause a hazard to highway safety. In accordance with the requirements of policy D4 of the London Borough of Camden Local Plan 2017 and Transport for London Guidance for Digital Roadside Advertising 2013.

- 9 The interval between advertisements shall take place over a period no greater than one second; the complete screen shall change with no visual effects (including fading, swiping or other animated transition methods) between displays and the display will include a mechanism to freeze the image in the event of a malfunction.

Reason: To ensure that the advertisement does not harm the character and appearance of the streetscene and does not create a distraction to pedestrian or vehicular traffic and therefore cause a hazard to highway safety. In accordance with the requirements of policy D4 of the London Borough of Camden Local Plan 2017 and Transport for London Guidance for Digital Roadside Advertising 2013.

- 10 No advertisement displayed shall resemble traffic signs, as defined in section 64 of the Road Traffic Regulation Act 1984.

Reason: To ensure that the advertisement does not create a distraction to pedestrian or vehicular traffic and therefore cause a hazard to highway safety. In accordance with the requirements of policy D4 of the London Borough of Camden Local Plan 2017 and Transport for London Guidance for Digital Roadside Advertising 2013.

- 11 No music, sound, smell or smoke shall be emitted from the advertisements.

Reason: To ensure that the advertisement does not create a distraction to pedestrian or vehicular traffic and therefore cause a hazard to highway safety. In accordance with the requirements of policy D4 of the London Borough of Camden Local Plan 2017 and Transport for London Guidance for Digital Roadside Advertising 2013.

- 12 No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

Informative(s):

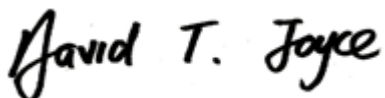

- 1 This consent is without prejudice to, and shall not be construed as derogating from, any of the rights, powers, and duties of the Council pursuant to any of its statutory functions or in any other capacity and, in particular, shall not restrict the Council from exercising any of its powers or duties under the Highways Act 1980 (as amended). In particular your attention is drawn to the need to obtain permission for the timescale, scope and method of works for the removal of the existing equipment and installation of the new equipment prior to commencement of work on site, to ensure that the development does not conflict with the highways works involved in the West End Project. Permission should be sought from the Council's Engineering Service Network Management Team, Town Hall, Argyle Street WC1H 8EQ, (tel: 020 7974 2410) or email highwayengineering@camden.gov.uk.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

You can find advice in regard to your rights of appeal at:
