Dear Sir/Madam

DECISION

LONDON
WC2B 5RH

Proposal: Amendments involving the relocation of door at roof level, rearrangement of walkway link route, repositioning of 2 rooflights and insertion of 2 new rooflights, and change to external materials in relation to planning permission (2014/1157/P) dated 03/06/2014 and as varied (2017/1053/P) dated 11/05/2017 for the erection of 2 mansard roof extensions facing Shelton Street and Drury Lane to provide additional Class B1 office space.

Drawing Nos: Superseded plans: 2459/30, 31.

Plans for approval: 4760/P1 rev A, P2, P3, P4, P5; Cover letter (with photograph) from Jackie Ford Consulting (dated 11/10/2017).

The Council has considered your application and confirms that the proposals are acceptable as non-material amendments to the planning permission set out above.

For the purposes of this decision, condition 3 of the planning permission (2014/1157/P) granted on 03/06/2014 shall be replaced by the following condition:

REPLACEMENT CONDITION 3

The development hereby permitted shall be carried out in accordance with the following approved plans: 2459/01-06, 32; 4760/P1 rev A, P2, P3, P4, P5; Cover letter (with photograph) from Jackie Ford Consulting (dated 11/10/2017).

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

1 Reason for granting approval:

The relocation of door at roof level, rearrangement of walkway link route, repositioning of 2 rooflights and insertion of 2 new rooflights, and change to external materials are all considered to represent minor alterations that are not materially different to the approved plans and would not harm the appearance of the host building or the character of the surrounding area.

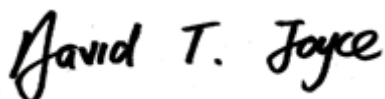

The proposed amendments are considered to be minor in the context of the original scheme and do not raise any new issues or alter the substance of the approved scheme. They can therefore be treated as non-material and are considered to be acceptable.

The full impact of the proposed development has already been assessed by virtue of the original approval granted (2014/1157/P) on 03/06/2014. In the context of the permitted scheme, it is not considered that the amendments would have any material effect on the approved development or impact on any nearby occupiers.

2 You are advised that this decision relates only to the changes highlighted on the plans and set out in the description, and shall only be read in the context of the substantive permission granted (2014/1157/P) on 03/06/2014 and is bound by all the conditions and obligations attached to that permission.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

Yours faithfully

David Joyce
Director of Regeneration and Planning
