## Community nyestment

## Community Investment Programme: Parliament Hill, William Ellis and LaSWAP

These new facilities are funded by C
Programme

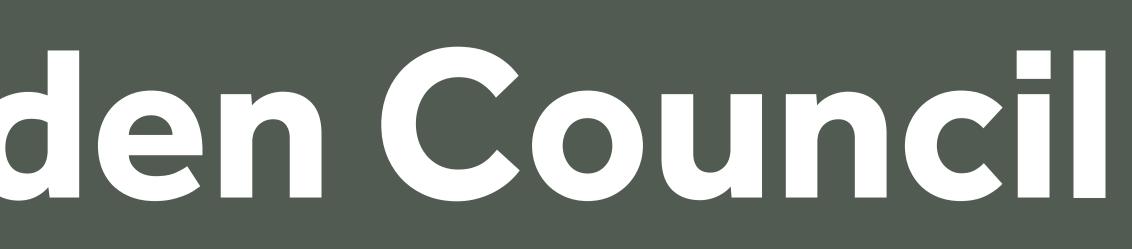

Our funding comes from selling underused sites and building homes for 

## Built and paid for by Camden Council

Camden's Community Investment

sale – all the money we raise is reinvested in providing community benefits

- Across Camden we're building 3,050 homes, including 1,100 council homes for families, investing in 48 schools and children's centres, providing community facilities and refurbishing thousands of council homes
- We're also building hundreds of new Camden Living Rent homes to help people who live and work in Camden but struggle to rent privately

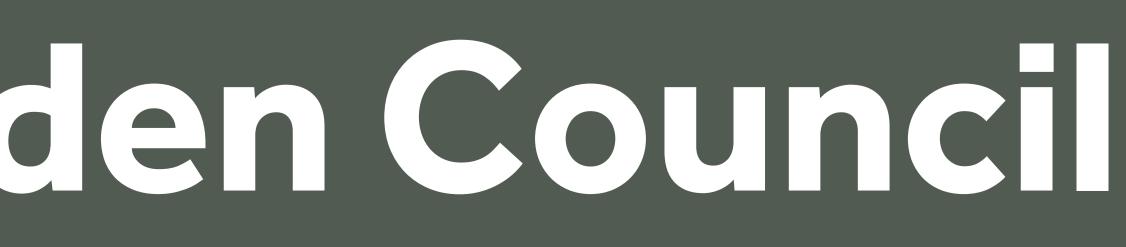

## nvesting in Vour schools
