Dear Noor,

This is correct. Please ensure the addendum is signed by the contractor.

Kind Regards.

Dear Shahida,

I hope you are well and thank you for your time on the phone.

Further to our conversation regarding the CMP and SP241903 letter, I write to confirm our discussion for the avoidance of any doubt.

1. **CMP:** 1 amendment needs to be made in accordance with the attached Feedback Template 10th July 2018. This amendment was regarding the acceptable delivery times in Section 21A and 21C.
2. **Addendum CP241903:** In our conversation it was confirmed that at this moment in time the information listed in the addendum does not need to be supplied, all that is required is that we sign the document. By signing this document we confirm that we do not need to supply the list of information in the letter unless Camden receive a 'valid' complaint that we have acted as a 'bad neighbour'. A 'bad neighbour' being defined as if we were to not to adhere to the approved CMP and Camden Council's requirements as detailed in the 'General and Specific Understandings' in the same Addendum.

I would be most grateful if you could please confirm that Camden consider the above to be in order and that we are able to proceed on the above described basis.

Kind regards

Noor
