Subject: Four Cypress Type Trees.

Dear All,

Regarding advice for four Cypress trees at the rear of my garden.

Hello, I was given your email address this morning when I called into London Borough Camden HQ , King's Cross.

I live in Camden Borough and I have four small Cypress type trees in my back garden.

As I have limited amount of natural light due to neighbouring trees I was hoping to remove these four Cypress trees before they get any bigger.

I have included two images above, sorry if the images are not very clear.
The two images show two Cyprus trees each.

Can you please advise me - thank you.

I am the owner of the flat and have lived there for four years. 

Hugo Conclodi

Kind regards
Hugo Conclodi
