	storey and—	
	(i) extend beyond the rear wall of the original dwellinghouse by more	No
	than 3 metres, or	
	(ii) be within 7 metres of any boundary of the curtilage of the	No
	dwellinghouse opposite the rear wall of the dwellinghouse?	
A.1 (g)	Will the enlarged part of the dwellinghouse be within 2 metres of the	
	boundary of the curtilage of the dwellinghouse, and the height of the	No
A 4 /l=\	eaves of the enlarged part exceed 3 metres?	
A.1 (h)	Will the enlarged part of the dwellinghouse extend beyond a wall	
	forming a side elevation of the original dwellinghouse, and either	No
	(i) exceed 4 metres in height, (ii) have more than one storey, or	No
	(ii) have a width greater than half the width of the original	No
	dwellinghouse?	INO
A.1(i)	Would it would consist of or include either	
(.)	(i) the construction or provision of a veranda, balcony or raised	No
	platform,	110
	(ii) the installation, alteration or replacement of a microwave antenna,	No
	(iii) the installation, alteration or replacement of a chimney, flue or soil	No
	and vent pipe, or	
	(iv) an alteration to any part of the roof of the dwellinghouse?	No
Is the proper	ty in a conservation area? If yes to any of the questions below then the pr	oposal is
not permitted	I development	
A.2(a)	Would it consist of or include the cladding of any part of the exterior of	
	the dwellinghouse with stone, artificial stone, pebble dash, render,	
	timber pleatic or tiles?	No
1 2/b)	timber, plastic or tiles?	
A.2(b)	Would the enlarged part of the dwellinghouse extend beyond a wall	No
	Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse?	No
A.2(b) A.2(c)	Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one	
A.2(c)	Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse?	No
A.2(c)	Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one	No
A.2(c) Conditions. If	Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse? Into to any of the below then the proposal is not permitted development	No
A.2(c)	Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse? In to any of the below then the proposal is not permitted development. Would the materials used in any exterior work (other than materials	No No
A.2(c) Conditions. If	Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse? Into to any of the below then the proposal is not permitted development	No
A.2(c) Conditions. If	Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse? In to any of the below then the proposal is not permitted development. Would the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance.	No No
A.2(c) Conditions. If A.3(a)	Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse? In to any of the below then the proposal is not permitted development. Would the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance to those used in the construction of the exterior of the existing	No No
A.2(c) Conditions. If	Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse? In to any of the below then the proposal is not permitted development Would the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse?	No No Yes
A.2(c) Conditions. If A.3(a)	Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse? In to any of the below then the proposal is not permitted development Would the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse? Would any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse be— (i) obscure-glazed, and	No No Yes
A.2(c) Conditions. If A.3(a)	Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse? Into to any of the below then the proposal is not permitted development. Would the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse? Would any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse be— (i) obscure-glazed, and (ii) non-opening unless the parts of the window which can be opened	No No Yes
A.2(c) Conditions. If A.3(a)	Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse? Into to any of the below then the proposal is not permitted development Would the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse? Would any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse be— (i) obscure-glazed, and (ii) non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the	No No Yes
A.2(c) Conditions. If A.3(a) A.3(b)	Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse? no to any of the below then the proposal is not permitted development Would the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse? Would any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse be— (i) obscure-glazed, and (ii) non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed?	No No Yes
A.2(c) Conditions. If A.3(a)	Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse? no to any of the below then the proposal is not permitted development Would the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse? Would any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse be— (i) obscure-glazed, and (ii) non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed? Where the enlarged part of the dwellinghouse has more than one	No No Yes
A.2(c) Conditions. If A.3(a) A.3(b)	Would the enlarged part of the dwellinghouse extend beyond a wall forming a side elevation of the original dwellinghouse? Would the enlarged part of the dwellinghouse have more than one storey and extend beyond the rear wall of the original dwellinghouse? no to any of the below then the proposal is not permitted development Would the materials used in any exterior work (other than materials used in the construction of a conservatory) be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse? Would any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse be— (i) obscure-glazed, and (ii) non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed?	No No Yes
