2018/3043/P	Sharon Chen Cooper	20/08/2018 16:40:38	COMMBOB XI	I am concerned that the proposed mansard roof of the extension will be visible from street level. The plant room on the roof of The Cavendish School is set back from the front line and so is not visible from street level. The height of 33 Inverness St will, therefore, read as higher than that of the school; the decline in mass reading from the probation hostel to the school (both commercial premises) will, therefore, be interrupted by an overly high domestic property (no. 33).
