Dear Sir/Madam,

Re: Camden (Buck Street) Market 192-200 Camden High Street London NW1 8QP  
Planning Reference 2018/3553/P

We write in **support** of the planning application in relation to the replacement of the existing market with a better managed container park.

We suspect that there is a range of anti-social behaviour associated with the site and the surrounding area and this new proposal appears to be a sensible attempt to improve the situation as well as improve the offer of the market itself.

Yours sincerely,

Simon Pitkeathley  
Chief Executive
