My enquiry is

Regarding Application 2018/2824/P:
Conversion of Launderette at 54 Belsize
Lane to alternative Retail use.

I strongly object to the above application on the basis that the launderette provides an essential service to the neighbouring community, especially its less affluent and more time-constrained residents and those in smaller homes. An alternate provider is not close by, and there is no real evidence that the unit is not trading satisfactorily. The launderette is one of the decreasing examples of a "proper" high street, in contrast to the endless bland coffee outlets. Please do not allow it to disappear!!
