Dear Emily Ardizzone,

I was employed at the Freud Museum from 1986 onwards, and from 2003 on I was Museum Director, until my retirement in 2009. For much of that time I worked in an office on the second floor.

Consequently, I can confirm that the photos you sent me were indeed taken in the Museum, on the second floor, and in all likelihood around 1988.

With best wishes
