If you have selected Other, please describe

A series of lamppost banners and flags to provide wayfinding for the Euston Town 'Euston Green Link'. This is a green walking route intended to encourage the use of a lower exposure route between Euston Station and Regents Park.

We have provided designs for both banners and flags and indicated which would be appropriate in each spot, depending on residential / listed buildings.

We also propose that the flags are installed on to the south end of North Gower Street leading from Euston Road to Drummond Street, to encourage further footfall from a crowded area on to Drummond Street and the Euston Green Link.

To	<input type="text" value="04/10/2021"/>

7. Neighbour and Community Consultation

Have you consulted your neighbours or the local community about the proposal? Yes No

If Yes, please provide details:

We have consulted with traders and residents of Drummond Street to create a branding scheme that everybody is happy with and reflects both the various cultures of Euston and the traditional architecture of the area.
We have hosted regular, open public meetings for anyone who would like to come along and have updates on the project. Attendees are particularly interested in the branding and colour schemes so the signage designs are very well documented.
We hosted a specific open public meeting for all residents. Flyers were put through the doors of every resident on Drummond Street, North Gower Street, George Mews, Tolmers Sq, Starcross Street, Exmouth Mews and Charles Place as well as all businesses, to invite them to the meeting. We had a good turnout of around 25 people and received very positive feedback on our proposals for signage and branding.
To ensure proposals reached everyone the presentation was then sent to the Tenants & Residents Association at the beginning of August. Again, all positive feedback on branding and signage proposals.
