EX	Existing Door
D	Door

- Notes: Alteration works
- Remove existing light fittings from all internal rooms. Install replacement LED light fittings. Linear fittings in offices B1, B2, B3, B4 and B7 to be suspended approx 250mm below ceilings.
 - Dome lights in lobbies B5, B6 and B8. Lights to be controlled from existing switch positions.
 - Retain existing emergency light fittings and external light fittings.
 - Retain existing fire alarm and smoke detection system.
 - Remove power sockets fitted to existing partitioning to be removed.
 - Relocate power points on lateral walls to side of new opening.
 - Retain the electric mains head and meter.
 - Replace the distribution point to the electric cupboard.
 - Extend electrical power to serve new cooling system condenser and cooling units and kitchenette to B6 and new office B7. Cabling to be surfaced mounted, not chased into the building fabric and boxed in.
 - Electric panel heaters to lobbies B5 and B8.
