

The contractor is responsible to ensure that no products are to be utilized that do not comply with relevant British and/or European Standards and/or Codes of Practice, CDM14 Regulations, and/or construction regulations. It is the contractor's responsibility to ensure that the design and construction to be delivered is safe and sound and to the stability of the work or not in accordance with good building practices.

The contractor is responsible for checking dimensions, tolerances, axes and references. This drawing is for information only and is not to be used for construction. The contractor's responsibility is to be notified to Baily Garner LLP and rectified before proceeding with the works on site or shop drawings.

Where an item is covered by drawings to different scales, the largest scale drawing is to be worked to.

Do not scale drawings. Figured dimensions to be worked to in all cases.

This drawing and the copyright and patents therein are the property of Baily Garner LLP and may not be used or reproduced without consent or attribution.
