

The contractor is responsible to ensure that no products are to be utilized that do not comply with relevant British and/or European Standards and/or Codes of Practice, CDM-H Regulations, and/or construction to be deleterious to health and safety or to the stability of the work or not in accordance with good building practices.

The contractor is responsible for checking dimensions, tolerances, axes and references. This drawing is not to be used for construction without the approval of the architect or the contractor. Any discrepancy to be notified to Baily Garner LLP and rectified before proceeding with the works on site or shop drawings.

Where an item is covered by drawings to different scales, the largest scale drawing is to be worked to.

Do not scale drawings. Figured dimensions to be worked to in all cases.

This drawing and the copyrights and patents therein are the property of Baily Garner LLP and may not be used or reproduced without consent or attribution.
