2018/3241/HS2	Guillermo Muriel	30/08/2018 09:14:07	INT	Granby Terrace Should be use as the route for all lorries needed to move the demolition rubble and waste cause by HS2. Harrington Street is not a Suitable option, as it will cause severe long term disruption to over 200 families with babies, young children, elderly and disable persons, living on all sides of Harrington Street which is a very narrow street serving as the only access to a densely populated Estate. In addition, parking for families living on Harrington Street is already very restricted in the whole area.
