2018/3840/T	Patti Langton	30/08/2018 10:39:57	COMMEMPER	I would like to support this application. I live behind the trees, their roots have caused my rear garden pathways to buckle, the branches and leaves cause the whole back of the house to be in darkness. They are incredibly tall and very near the house. The roots are a danger to my foundations.
