2017/7112/P	Jonathan Robinson	02/09/2018 22:44:47	COMMEMP ER	<p data-bbox="880 132 2024 186">I am writing to comment on and object to the proposed development of 20 Busby Place into 6 self-contained units.</p> <p data-bbox="880 225 2024 339">The proposed change is an over-development of the site. The property was relatively recently built as part of a diverse and integrated scheme now known as North Point Square, The scheme provided for a high-density scheme comprising flats and houses. Additional development of one of the houses into separate units as proposed is, by definition, over-development.</p> <p data-bbox="880 378 1944 432">The proposed increase in density will have a negative impact on immediate neighbors, by resulting in increased noise and related disturbance.</p>
