2018/3711/L	SUSAN ROSE	03/09/2018 09:37:47	COMMNT	Highgate CAAC has some concerns about this application for repairs to a listed building of considerable importance to the CA. The contractor chosen does not appear to have any experience of this kind of work and the need for a solution which is at once practical and sensitive to the needs of the preserving the historical integrity of the building. Advice should be sought from Historic England and a qualified Conservation architect.
