Dear Sir/Madam

DECISION

Town and Country Planning Act 1990
Town and Country Planning (Control of Advertisements) (England) Regulations 2007

Advertisement Consent Refused

Address:

Public Payphone
O/S 67 Theobald's Road
LONDON
WC1X 8TA

Proposal:

Display of a 6 sheet internally (back lit) LED illuminated advertisement panel to south-western elevation of existing public payphone.

Drawing Nos: Panel Specs; LED Light Details; Planning Summary; Cover Letter (revised 17/11/2017) ; Site Location Plan (revised 17/11/2017); Site Plan (17/11/2017); [01/] 2521, 2522, 2523, 2524, 2525, 2526, 2527, 2528, 2529.

The Council has considered your application and decided to **refuse** advertisement consent for the following reason(s):

Reason(s) for Refusal

- 1 The proposed internally illuminated advertisement panel by reasons of its design, location and illumination would be unduly dominant and visually disruptive, adding visual clutter harmful to the prevailing character of the streetscene and wider Bloomsbury Conservation Area contrary to policies D1, D2 and D4 of the Camden Local Plan 2017.

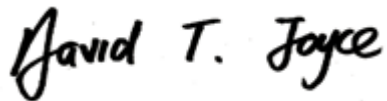

- 2 The proposed illuminated advertisement panel by reason of its' location and illumination, would fail to reduce opportunities for crime and anti-social behaviour to the detriment of community safety and security, and compromise the safety of those using and servicing the payphone kiosk contrary to policy C5 (Safety and security) of the Camden Local Plan 2017.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

You can find advice about your rights of appeal at:
