Dear Mr Perryman,

Thank you for your recent enquiry regarding roller shutter. We are pleased to provide the following quotation for your consideration. Please note, we have quoted for a Seceuroshield 38, as the Seceuroshield 75 that you expressed an interest in is not available at the sizes you require.

**Quote No: 28490**

**Qty Specification and Dimensions**

1 SeceuroShield 3800 Security Shutter. Overall Dimensions  
2640mm Wide x 2140mm High Including Top Box and  
Guides. Reveal Fitting. Manual Spring and Lock  
Operation. Finished in Standard RAL Finish\*  
**Total Price for Supply and Installation in NW3**

[REDACTED] plus VAT

*\*Standard finishes are Cream RAL1015, Brown RAL8014, Black RAL9005, White RAL9010, Brilliant White RAL9016.*

Note: All prices are based on the dimensions you provided and are subject to confirmation of dimensions prior to manufacture.

The price quoted is based on a straight forward installation at an easy accessible site during normal working hours. We quote based on a square and suitable structural opening that has been suitably prepared by others, including provision of a suitable power supply. The price quoted does not include for any finishing, trimming or major adjustments for out of square apertures unless agreed in advance. We can carry out alterations and supply additional steel work when required but this is quoted for separately once we know what may be required. A site survey will be required to confirm dimensions unless exact drawings are provided for a new installation. Please be aware, the findings of the site survey may affect the price for installation considerably.

The price quoted does not include the removal and disposal of existing doors, shutter or other products.

Terms: Deposit of 50% with order, remainder cleared funds 3 days prior to install.

All goods remain the property of Samson Industrial Doors Ltd until payment is received in full. Full terms and conditions available upon request.

This quotation is valid for acceptance for 30 days from above date.

We trust the above meets with your approval and look forward to hearing from you in due course. Should you have any queries or require a quotation for an alternative product, please do not hesitate to contact me.

Yours sincerely,

Rachel Stallard
