Ben,

Sorry for the delay in getting back to you. I have just been reacquainting myself with the 3 applications in respect of 16 Eton Road, and our comments thereon.

In summary:

2018/1612/P - Formation of front facing dormer window; replacement of existing windows and roof light; replacement handrails to entrance steps.
Status - Approved 29.06.2018, notwithstanding our objection to the alignment of the dormer
2018/1613/P - Erection of two storey side/rear infill extension. Status - still awaiting decision
2018/1614/P - Erection of single storey rear extension - still awaiting decision

With regard to 2018/1614/P - Erection of single storey rear extension - we are pleased that the revised plans show the rear extension reduced in depth and have no further comment to make about this aspect of the application.

We await with interest the outcome regarding the proposed two storey side extension - 2018/1613/2018.

Best wishes,

Geoff
