2018/3363/P	Hilary Henderson	05/09/2018 10:37:21	INT	I have previously requested clearer details with respect to the height and projection of the planned extension. No further information has as yet been provided. I am particularly concerned that the height of the new-build will impact adversely on the sunlight and plantings on my patio by throwing a portion of this area into perpetual shadow.
