Dear Sir/Madam

## **DECISION**

Town and Country Planning Act 1990 (as amended)

### **Full Planning Permission Granted**

Address:  
**Mid City Place**  
**71 High Holborn**  
**London**  
**WC1V 6EA**

Proposal:  
Installation of ground floor entrance on Red Lion Street

Drawing Nos: 10.200 Rev.P1, 10.270 Rev.P1, 20.200 Rev.P1 and 20.270 Rev.P1.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the London Borough of Camden Local Plan 2017.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans:

10.200 Rev.P1, 10.270 Rev.P1, 20.200 Rev.P1 and 20.270 Rev.P1.

Reason:

For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The proposal involves the insertion of a set of double doors on the elevation fronting onto Red Lion Street. The doors will have dark grey framing, double glazing and brushed stainless steel handles, all to match the existing materials on this elevation. The doors will provide separate access to the ground floor office space and will open inwards. It is considered that the proposal in terms of its scale, siting, design and materials would preserve the character and appearance of the host property, street scene and the wider conservation area.

It is noted that Red Lion Street is predominately in commercial use at ground. Given the siting and the minor alterations proposed, the development is not considered to have an adverse impact on any of the neighbouring property's amenity in terms of overlooking, privacy, loss of light or a sense of enclosure.

No objections were received prior to making this decision. Bloomsbury CAAC raised no objection. The planning history of the site and surrounding area were taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Area) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposed development is in general accordance with policies A1, D1 and D2 of the Camden Local Plan 2017. The proposed development also accords with policies of the London Plan 2016 and of the National Planning Policy Framework 2018.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).

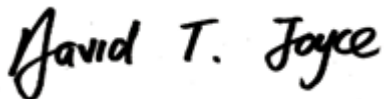

- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Noise and Licensing Enforcement Team, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (Tel. No. 020 7974 4444 or search for 'environmental health' on the Camden website or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
