Fan Rescue was asked to carry out a site survey and put together a proposal for the kitchen extraction at the above addresses .

### **New Kitchen extraction external ductwork system**

It is proposed to remove the existing 710mm diameter external extract ductwork system which currently serves two separate extraction system from two different restaurants and replacing it with two new separate 500mm diameter extract ductwork System, as shown on the Drawing.

Kitchen extraction ductwork system will be manufactured and installed subject to in accordance with DW 172 specifications.

We hope this is of assistance and await your further instruction.

Yours sincerely

**Irfan Nakip**

Operations Director
