Proposal	Erection of a mansard style roof extension
Comment	Yes
Observations	<p>This application for a new loft floor is proposed for one of a terrace of only 4 two storey properties along this road, where the building height is mainly three storey, often with loft extensions to a new 3rd floor. Given this the Cttee does not feel that this proposal will be out of character and the sympathetic extension meets the general advice. The set backs seem reasonable and maintain the wall form.</p> <p>With evolving new planning policy this type of extension may well soon be permitted.</p>
