5. Condition(s) - Removal

Please state why you wish the condition(s) to be removed or changed

Condition (3) should be changed due to a minor material amendments to the Northern, Western and South facades.

Minor material amendment:

- 1) The current permission has 5 windows on the Western side, this should be changed to 6.
- 2) The current permission has all the windows on the Western side as the same length and same height. The new proposal varies the length of the windows to relate to the landscape slope. The top of the windows are still at the same height. The reason for this change is to reduce the 750mm solid wall on the inside of the extension.
- 3) The current permission has one full length door, and two windows on the South side. The new proposal has 3 full length doors on the South side.
- 4) The current permission has a glazed door on the Northern side. The new proposal has a solid wood door instead of glass to avoid views to the exterior stair.
- 5) External stair arrangement arranged.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

The condition should be varied to replace the following drawings:

- 010/20-02 (Floor plan)
 - 010/20-11 (proposed side elevation, West)
 - 010/20-10 (proposed Rear elevation, South)
 - 010/20 (proposed Front elevation, North)
 - 010/20-03 (proposed Upper Ground Plan)
- with the following amended drawings that incorporate the minor material amendment to the West facade.

 - 010 20 03 Proposed Upper Ground Plan
