Please provide a description of proposed materials and finishes:	As existing

Roof covering	
Please provide a description of existing materials and finishes:	As existing
Please provide a description of proposed materials and finishes:	<p>As existing - The containment of the tower parapet will be improved with the addition of a new balustrade, reaching 1100mm, that will match the existing language of the fire station. This balustrade will be designed such that it is not perceivable from the surrounding street levels.</p> <p>A new hatch to access the roof from the fifth floor will be situated on the south eastern corner of the tower. A new skylight will be included in the roof of the terrace and will mimic the dimensions of the former centralised tower void below</p>

Windows	
Please provide a description of existing materials and finishes:	As existing
Please provide a description of proposed materials and finishes:	As existing

Ceilings	
Please provide a description of existing materials and finishes:	white painted concrete soffits
Please provide a description of proposed materials and finishes:	As existing - Any new services, cables and pipework will be exposed and curated to maintain the utilitarian/industrial nature of the historical fire station

Internal Walls	
Please provide a description of existing materials and finishes:	Brickwork
Please provide a description of proposed materials and finishes:	With exception of the bathroom (tiled) on the fourth floor, all the existing walls of the apartment will feature the original and repaired exposed brickwork of the tower.

Floors	
Please provide a description of existing materials and finishes:	Concrete
Please provide a description of proposed materials and finishes:	Second, fourth and fifth floors - original concrete floor finishes. The third floor will incorporate a parquet floor finish to match the greater Belsize Fire Station residential development.
