 • Do not Scale. Used figured dimensions only.  
 • All dimensions to be checked on site.  
 • All drawings to be read in conjunction with engineer's drawings. Any discrepancies between consultants drawings to be reported to the Architect before any work commences.  
 • The Contractor's attention is drawn to the Health & Safety matters identified in the Health & Safety plan and on drawings as being potentially hazardous.  
 • These items should not be considered as a full and final list.  
 • The Work Package Contractor's normal Health & Safety obligations still apply when undertaking constructional operations both on and off site.
