2018/3320/P	Patrick Meier	17/09/2018 17:45:54	COMMNT	<p>In principle the development of basement excavations should be resisted. Despite best efforts environmental, noise and other problems will arise and the proposal would set a bad precedent for the area which should not be overrun by such schemes which run counter to the character of the neighbourhood.</p> <p>The disruption during the works will be unacceptable for all who use Wadham Gardens and Harley Road</p>
