

6 Steele's Mews South NW3 4SJ

Proposed side dormer

Application Title:

Variation of condition 3 of planning permission dated 10/05/2017 ref. 2017/1143/P for Erection of side roof dormer, namely to change the flat dormer roof from glass to solid.

The proposal is to change the already approved side roof dormer with the glass roof to solid zinc roof.

As the roof with the proposed dormer is used as a bedroom client decided to change the glass roof to solid roof for ease of controlling the room blackout at night.
