Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:

Flat B
56 Loveridge Road
London
NW6 2DT

Proposal:

Replacement of single glazed timber rear door and side casement window at 1st floor level with new double glazed timber French doors and side window within altered openings.
Drawing Nos: Site location plan; Block plan; 8018; unnumbered existing and proposed elevation and section drawings; unnumbered 1st floor plan.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless

otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 of the London Borough of Camden Local Plan 2017.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: Site location plan; Block plan; 8018; unnumbered existing and proposed elevation and section drawings; unnumbered 1st floor plan.

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission:

The proposed double-glazed window and French doors would match the existing side casement window and door in terms of its timber frame material and white colour. The rear doors and windows in neighbouring properties within this rear terrace that provide similar access to 1st floor roof terraces all vary in terms of their design, proportions and materials used with no established pattern or appearance. It is therefore considered that the proposed replacements, suitably designed and double-glazed in re-sized openings, would not harm the character and appearance of the host building or wider rear terrace, and are therefore considered to be appropriate.

There are no amenity concerns as a result of these proposals in terms of loss of privacy or overlooking to neighbouring properties as the proposed window and doors would replace an existing window and door.

The site's planning and appeals history has been taken into account when coming to this decision. No objections have been received following statutory consultation.

As such, the proposal is in general accordance with policies A1 and D1 of the Camden Local Plan 2017, the London Plan 2016, and the National Planning Policy Framework 2018.

- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Noise and Licensing Enforcement Team, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (Tel. No. 020 7974 4444 or search for 'environmental health' on the Camden website or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and

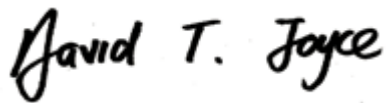

emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework.

You can find advice about your rights of appeal at:
