2018/3222/P	Pamela Marks	19/09/2018 11:35:39	COMMNT	<p>The excavation of a basement would cause major flooding and subsidence to the houses nearby. Over the years at least three of the houses in that part of the mews have had to be underpinned.</p> <p>Most of the properties were built in the mid 1800's and therefore need conserving for our heritage.</p>
