Dear Nick Bell,

Please forgive our confusion regarding the Application to cut down an Ash tree. Regarding the ash at the bottom of the Private Road by the garages, the overhanging branches cut

be cut without exposing the backs of Heath Hurst Road houses. In addition it would be a great pity to fell a fine healthy tree like a cypress in the garden of 4, Keats Close. It would be a very great pity to lose any tree which enhances the district and vista from Keats House.

Yours sincerely,

Rush and Lee Montague
