Dear Tony Young,

**TfL Reference: 18/3073**

**Application Reference: 2018/3829/P**

**Pavement outside 511 Finchley Road, NW3 7BB**

**Installation of 1 x telephone kiosk on pavement.**

Thank you for consulting TfL on the above application, TfL has the following comments. Decluttering footways is one method undertaken to conform to the Mayor's vision of Healthy Streets, policy T2 of the new draft London Plan. Therefore, TfL request the removal of 2 items of street clutter from the TLRN footway, otherwise TfL object to this proposal.

Kind regards,

**Archie Burton**
