SUBMITTED VIA PINS CASEWORK PORTAL ONLY

23 July 2018

Dear Sir / Madam

**34 Ingham Road, London NW6
LB Camden ref 17/6848/P**

We have submitted a written representations appeal on behalf of Mr William Jeffery via the PINS Casework Portal, following refusal of the above planning application.

We enclose three drawings that we ask the Inspector to accept as substitutions:

- Constructed Floor Plans drawing number 101, July 2018 replaces Constructed Floor Plans drawing number 006, December 2017 (the change relates to the Second Floor Plan);
- Constructed Rear Elevation drawing number 102, July 2018 replaces Constructed Rear Elevation drawing number 008, December 2017; and
- Constructed Side Elevation drawing number 103, July 2018 replaces Constructed Side Elevation drawing number 008, December 2017.

These drawings correctly show the built position of the second floor bathroom window, the sloped roof of the pod extension and the flashing detail to the party wall adjacent to the pod. The discrepancies were not picked up by the council during determination of the retrospective application. Further detail is provided in the submitted Statement of Case.

The changes are very small but we are submitting the drawings for completeness. We trust that they can be accepted as part of the Appeal.

Yours faithfully

A large black rectangular box redacting the signature of Caroline Wilberforce.
