Hi John,

Following the Met Police Feedback on the application, we have reviewed their suggestion to include a gate at the base of the external stairs.

However, the addition of this date, will not be possible for the following reasons:

- The external stairs leading from the Level 4 terrace to the Level 3 terrace form part of the fire escape strategy for the wing and therefore the clear route must be maintained.
- Security for the wing has been reviewed with the UCL security team and we are installing CCTV and cardex access control systems on each exit into the Wing Level 4 bar.
- In addition the SU will have a person manning the main entrance into Level 4 from 12:00pm onwards and a person manning both entrances from 17:00 onwards.

We hope that this is a sufficient level of security to allay the Metropolitan Officer's concerns.

Kind regards,

Ellie
