2018/4046/L	Acuity	28/09/2018 15:49:27	OBJ	We would like to raise a objection to the above planning permission on the grounds of impact to adjoining property. We were not notified of the permission personally but have seen a site notice pinned to a tree outside our property on 18th September 2018. We intend to raise the detail of our objections by post in writing and would be grateful for details of how we may do so.
