

Thank you for notifying us of this application, and apologies for our slow response.

We do not see that any policies of the NDP are being breached, subject to :

1. The basement development meeting all Camden's requirements
2. There being strict control on the use not being residential, and if an application is made in the future that approval would only be given for a car free unit.
3. There is an adequate plan for traffic management

These seem to be largely covered in your summary. Many thanks
