NOTES FOR ALL DRAWINGS:	Rev	Date	by	Description	17
This drawing is to be read in conjunction with the contract documents and all other			~ ,	2 333.15.13.1	Key
consultants' drawings, specifications and schedules, including but not limited to the structural					-
engineer's drawings, specifications and schedules for all structural design, sizes and				+	
performance criteria. This drawing shows the design intent only. This is not a fabrication					
drawing.					
Do not scale from this drawing. All dimensions, including setting out dimensions, and all					
levels shown are to be checked and verified by the contractor on site and are subject to a site survey. Any discrepancies found in this drawing, or between what is shown on the drawings					
and conditions found after opening up of the existing works, are to be reported to					
the Architect immediately, and in accordance with the provisions of the building contract. Any					
modifications to these drawings necessary to meet the performance criteria of the				+	
specification, or due to unforeseen conditions related to the existing structure or fabric, shall					
be agreed in writing with the Architect and issued for approval in accordance with the					
provisions of the building contract.					
Marks Barfield Architects has prepared this drawing using information derived from a survey					
prepared by Lane & Frankham dated 28 March 2017, upon which it is entitled to rely. Marks					
Barfield Architects accepts no liability for the survey information nor does it warrant that					
information shown on the drawing related to the existing structure and fabric is either					
accurate or complete. © Marks Barfield Architects 2018
